Accent your home with light

This playful Philips myLiving Dyna LED clip spot with black accents simply snaps onto a table for light where you need it. But why stop there? This versatile solution lets you place powerful LED spot lighting anywhere there's a space.

Sustainable light solutions

- High quality LED light
- Energy saving
- Warm white light
- Long operating life up to 15 years

Special characteristics

- On/off switch on article
- Adjustable spot head

PHILIPS

Highlights

High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Adjustable spot head

Direct the light where you want it most by simply adjusting, rotating or tilting the spot head of the lamp.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long operating life

A light source you can trust. The integrated LEDs, used in this Philips LED lamp, will last up to 15,000 hours (which equals 15 years on basis of an average use of 3 hours / day with an amount of at least of 13,000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambiance in your home.

On/off switch on article

With the button discreetly integrated onto the lamp, you can easily switch the light on and off.

Specifications

Design and finishing

- Material: synthetics
- Color: grey

Product dimensions & weight

- Height: 14.8 cm
- Length: 8.3 cm
- Width: 11.6 cm
- Net weight: 0.278 kg

Technical specifications

- Mains power: Range 220 V - 240 V, 50 Hz
- Bulb technology: LED, 230 V
- Number of bulbs: 1
- Wattage bulb included: 4 W
- Maximum wattage replacement bulb: 4 W
- Light color: 2700K warm white
- Lamp lifetime up to: 10,000 hrs
- Beam angle: 45°
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: II - double insulated

Service

- Warranty: 2 year(s)

Packaging dimensions & weight

- Height: 14.8 cm
- Length: 12.3 cm
- Width: 9.3 cm
- Weight: 0.350 kg

Miscellaneous

- Especially designed for: Living- & Bedroom
