Freshen up with beautiful natural light

Enjoy the daylight-like brightness of the Philips myBathroom Baume ceiling light. The lamp's high quality LED light and synthetic diffuser put out optimal illumination with a long-lasting, energy-efficient light source.

Designed for your bathroom

- True skin color with high quality light
- IP44, perfectly suited for your bathroom

Sustainable light solutions

- High quality LED light
- Energy saving
- Warm white light
- Adjustable light intensity with dimmer switch
- Long operating life up to 15 years

PHILIPS

Kenmerken

True skin color

This Philips bathroom light makes colors reflect in a natural and accurate way. Just the way the sun would do.

High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with

a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP44 - bathroom safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water, this product is most common and ideal for bathroom use.

Long operating life

A light source you can trust. The integrated LEDs, used in this Philips LED lamp, will last up to 15.000 hours (which equals 15 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

Specifications

Design and finishing

- Material: synthetics
- Color: white

Product dimensions & weight

- Height: 7.1 cm
- Length: 26.2 cm
- Width: 26.2 cm
- Net weight: 0.600 kg

Technical specifications

- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 3
- Wattage bulb included: 2.5 W
- Maximum wattage replacement bulb: 2.5 W
- Light color: 2700K warm white
- Lamp lifetime up to: 15,000 hrs

- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: II - double insulated

Service

- Warranty: 2 year(s)

Packaging dimensions & weight

- Height: 29.8 cm
- Length: 29.3 cm
- Width: 8.8 cm
- Weight: 0.737 kg

Miscellaneous

- Especially designed for: Bathroom
- Style: Concept
- Type: Ceiling light
