Freshen up with beautiful natural light

Install this Philips myBathroom Fit wall light horizontal or vertical, just the way you like. The synthetic diffuser spreads a beautiful warm white LED light into your bathroom. The chrome accents will bring an accent of style to the room.

Designed for your bathroom

- True skin color with high quality light
- IP44, perfectly suited for your bathroom

Sustainable light solutions

- High quality LED light
- Energy saving
- Warm white light

Special characteristics

- Vertical and horizontal wall mounting possible

PHILIPS

Kenmerken

True skin color

This Philips bathroom light makes colors reflect in a natural and accurate way. Just the way the sun would do.

High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP44 - bathroom safe

This Philips bathroom light is especially designed for humid environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This bathroom light is designed with IP44: it is protected against splashing water, this product is most common and ideal for bathroom use.

Vertical and horizontal

This lamp can be installed vertically or horizontally, just the way you like it.

Specificaties

Design and finishing

- Material: metal
- Color: chrome

Product dimensions & weight

- Height: 6.3 cm
- Length: 48.3 cm
- Width: 6.7 cm
- Net weight: 0.560 kg

Technical specifications

- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 3
- Wattage bulb included: 2.5 W
- Maximum wattage replacement bulb: 2.5 W
- Light color: 2700K warm white
- Lamp lifetime up to: 15,000 hrs
- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: II - double insulated

Service

- Warranty: 2 year(s)
